

A dynamic way to promote Charcuterie

A new profitable corner

in your Store

**You have the  
specialists**

**Butchers**

**“Charcutiers”**

**Sellers**

**And all logistic of  
course**

**You have the space**

**You have the equipment**

**BUT**

**You COULD have a  
Corner “degustation”  
for Customers**

**Take away – Eat In**

YES  
YOU DO

WHY NOT  
MORE ?

And sure you could transform in an  
complementary opportunity  
That's mean **ADDED VALUE** in your chain

## Who is La Marmite?

La Marmite is a Corporation Registered in Manila, Philippines, created by Filipinos and French. This Filipino Company imports traditional appliances directly from Europe for Private Users and Professionals.

## What is La Marmite in Philippines?

*La Marmite* is a French name and represent a cooking tool used every day, a casserole!

Before to import and to install cooking ranges in the Philippines, our company assist designers, architects and developers to customize the unit in accordance with the cooking style of the clients. For VIP clients, special orders with other sizes, colors, and other options are also possible.

## Four Exclusive brands for Domestic and Professional Users

These 200 years-old French company sells high quality ranges in more than 35 countries. Available in Classic or Modern line, from 700mm wide until 2300mm, in 24 colors, with various types of knobs. Design the top part with gas, induction, multi-cooker, plancha, grill, deep fryer as you need. Choose between gas and /or electric ovens, or a warming cabinet. With more than 50,000 different combinations, each range is a unique model!
