To the Attention of PRESIDENT OF LPU LAGUNA
CALAMBA CITY

Mister President,

In charge of the France Philippines relationship within the [COOPERATIVE COOP USS FRANCE](#), I would like to write to you to, firstly, make you aware of the country to which I belong: France.

- France occupies an exceptional position due to the recognized quality of its food products and certain specificities including fashion and tourism.

In the spirit of solidarity and entrepreneurship that drives our USS COOP in France, I wish to lay the foundations of a COOPERATION dedicated to Charcuterie de FRANCE QUALITY PRODUCTS in the PHILIPPINES

Thus was born the concept of HAMy Charcuterie and please this is why I ask you to consult:

- Website <http://www.hamycharcuterie.com>

▪ And our boutique <http://www.chamycharcuterie.com/shop/index.html>

If I wish to meet you it is to discuss the possibility of training by your INSTITUTE in the “Butchers Charcutiers” niche in conjunction with a teaching Center in France

The presentation in PDF format attached, which is intended to be short, will allow you to better understand the interest in the relationship that we could have.

I am staying in Cabuyao – Laguna and I will be happy to meet you before a business trip to France to consider the advantages of this project for your Institute.

Thanking you for your kind reading and hoping to receive positive feedback from you, Please accept, Mr. President, the expression of my most supportive greetings.

François Renaut COOP USS Développement France Philippines
